

ORAL & MAXILLOFACIAL SURGEON

Comox, Vancouver Island, BC

Island Health's Department of Surgery, Division of Oral & Maxillofacial Surgery at the Comox Valley Hospital has a full-time position for a full-scope Oral & Maxillofacial Surgeon to join our current surgeon, Dr. Andreas Conradi.

Eligible candidates will hold FRCDC, have completed a minimum 4-year residency in Oral and Maxillofacial Surgery and be eligible for Certified Specialist licensure with the College of Physicians of Dental Surgeons of British Columbia.

The Comox Valley Hospital is a brand new 154 bed acute care facility, managed by Island Health that serves a referral population of 70,000. This new facility has 45 additional beds to accommodate the recent increase in population and includes an 8-bed ICU and a 10-bed telemetry unit. The hospital has a closed ICU and diagnostic imaging services include CT and MRI scanners. Island Health is affiliated with the UBC Faculty of Medicine.

At Island Health, we recognize, gain knowledge and respect the differences in each individual we serve. The right to feel culturally safe is for everyone.

Remuneration: Fee for Service

Community Information:

The beautiful oceanfront Town of Comox is located on the central east coast of Vancouver Island. The Comox Valley includes the towns of Comox, Courtenay and Cumberland which together have an immediate catchment of over 72,000 people. With its short, mild winters and warm dry summers, it is one of the most diverse recreational and cultural locations in the world. Known for its abundant wildlife, it is a place where you can ski, golf, fish and go to the theatre – all in the same day. Comox offers all the amenities of a larger city with the charm of a small town setting, including high quality daycares, excellent schools (both French and English) and easy access by air with an international airport.
